## Which Are Brazos County's Fastest-Growing Private Companies?

**W**e want to recognize the private small businesses making the greatest impact on the Brazos Valley. We are looking for those companies that have a five-year sales history and show the fastest growth for the last three-year period. If you know a company that meets our qualifications, fill out the nomination form on the back and mail it today. Anyone may submit nominations—vendors, customers, friends, business associates. Even self-nominations are welcomed and encouraged.

Nominated companies will receive an application to submit their gross sales information. Information submitted is confidential and only the percentage of sales growth is published. Those companies with the greatest impact on the Brazos Valley will be unveiled during a special awards luncheon on June 9, 2010. The companies will also be recognized in a special report.
